

Welcome to Year 1

Hello Everyone

I am Mrs Flouri and I am writing to say that Mrs King, Mrs Frew-McGill and I are really looking forward to seeing you all in September and to welcoming you into Year 1. We will be kick-starting the year finding out about each other, and our termly topic is one of my favourites – ‘Down Under’ – it is all about Australia!

For many of you, it may feel very strange when you return to school, but we are all going to work together to make your time in Year 1 a real success. As we are members of the Hipswell community and the school, it is really important that we set an excellent example to all the other classes, so we have high expectations of behaviour and attitude – I am sure you will do us proud!

Although it has been a strange and sometimes difficult time for everyone over the last few months, we are looking forward to starting the school year, welcoming some new members of our class and helping each other settle into Hipswell again. Year 1 is a really exciting year and there is a lot to look forward to. I hope everyone is ready to work hard and make it the best year we possibly can!

Have a lovely summer holiday, and we are looking forward to seeing you on Tuesday 8th September.

Mrs Flouri (teacher), Mrs King and Mrs Frew-McGill (teaching assistants)

The Year 1 Team:

Mrs Flouri

Mrs King
