

Hello Everyone

Mrs Walker and I (Mrs Waller) are writing to say that all the staff in Year 2 including Mrs Powell and Mrs Gardener are really looking forward to seeing you all, hopefully in September and welcoming you back. We have already been getting the classroom ready and discussing our exciting topics for next year. We will be starting with one of our favourites, Time Machine, which looks back in time. In fact, we will be travelling back over 100 years to see what it was like in the Victorian era.

For many of you, it may feel very strange when you return to school, but we are all going to work together to make it a successful, as well as an enjoyable year. The Year 2 staff expect all children to show respect for one another, kindness to each other and excellent behaviour within the setting. We also love to teach children with a willingness and positive attitude to learning. We're sure you will all try your very best when you return to school.

Although it has been a strange and sometimes difficult time for everyone over the last few months, we are looking forward to starting the school year, welcoming some new members of our class and helping each other settle into Hipswell again. Year 2 is a really exciting year and there is a lot to look forward to. We hope everyone is ready to work hard and make it the best year we possibly can!

Have a lovely summer holiday, and we are looking forward to seeing you on Tuesday 8<sup>th</sup> September.

From the Year 2 team.
