

Mrs Gallagher

Mrs Dales

Hello Everyone

I am Mrs Gallagher and I am writing to say that Mrs Dales and I are really looking forward to seeing you all, hopefully, in September and welcoming you into Year 3. We have already been discussing the topics we will be covering (we are starting with an exciting topic about *Vicious Vikings!*) and preparing the classroom.

For many of you, it may feel very strange when you return to school, but we are all going to work together to make your next year at Hipswell a real success. As you start Key Stage 2, it is really important that we set an excellent example to all the Key Stage 1 classes, so we have high expectations of behaviour and attitude – I am sure you will do us proud!

Although it has been a strange and sometimes difficult time for everyone over the last few months, we are looking forward to starting the school year, welcoming some new members of our class and helping each other settle into Hipswell again. Year 3 is a really exciting year and there is a lot to look forward to. I hope everyone is ready to work hard and make it the best year we possibly can!

Have a lovely summer holiday, and we are looking forward to seeing you on Tuesday 8<sup>th</sup> September.

Mrs Gallagher and Mrs Dales.
