

Hello Everyone

I am Miss Clark (formerly Mrs Suffell) and I am writing to say that Miss Clements, Mrs Walker and I are really looking forward to seeing you all, hopefully, in September and welcoming you into Year 4. Mrs Walker is the class teacher on Wednesdays.

We have already been discussing the topics we will be covering; we are starting with Children at War, which is about World War II.

For many of you, it may feel very strange when you return to school, but we are all going to work together to make this coming year a real success. It is important that we help each other to settle back into our routines and enjoy being back at school ready to learn with our friends.

Although it has been a strange and sometimes difficult time for everyone over the last few months, we are looking forward to starting the school year and welcoming some new members of our class I hope everyone is ready to work hard and make it the best year we possibly can!

Have a lovely summer holiday, and we are looking forward to seeing you on Tuesday 8th September.

Miss Clark, Miss Clements and Mrs Walker.
