

Hello Year 4,

We thought we would send you a message before the summer holidays to say that we are really looking forward to welcoming you all into Year 5, hopefully in September. We have started discussing next year's topics and preparing the classroom for your arrival. We are starting with one of our favourite topics, Eco-Army. We are hoping to make you all as passionate about protecting the environment as we are and turning you into our 'eco-warriors!'

For many of you, it may feel strange when you return to school, but we are all going to work together to make your time in Year 5 at Hipswell a real success. In Year 5 we work hard, have lots of fun and set an excellent example to younger pupils at all times. Mrs Suffell and Miss Clements have assured us that you all have fantastic attitudes and will certainly do us proud.

Although it has been a strange and sometimes difficult time for everyone over the last few months, we are looking forward to starting the school year, welcoming some new members to our class and helping each other settle into Hipswell again. Mr Stevens will teach you on a Thursday and he is also really looking forward to seeing you all again.

Have a lovely summer holiday; we are looking forward to seeing you on Tuesday 8<sup>th</sup> September.

Miss Ewbank and Mrs Rhodes
