## Working, learning and celebrating together

Welcome to Hipswell Church of England Primary School. We aim to foster a culture in which all members play a unique part in our shared experience.

Our Christian ethos encourages supportive friendships with, and between, both civilian and military communities. We aspire for pupils always to feel safe and valued, growing naturally towards becoming confident, independent, self-motivated and compassionate individuals, who make a life-giving contribution to the world.

Our strengths are many and varied, in particular:

- Our high quality of teaching
- An exciting curriculum
- A friendly and caring atmosphere which creates a `family' environment
- An emphasis on making children feel good about themselves
- A good working partnership with parents
- Close links with the local community, including the church

With around 170 children and 9 teaching staff we feel that we:

- Know each other as individuals
- Are aware of each person's progress
